

§ 570.404 Historically Black colleges and universities program.

(a) *General.* Grants under this section will be awarded to historically Black colleges and universities to expand their role and effectiveness in addressing community development needs, including neighborhood revitalization, housing and economic development in their localities, consistent with the purposes of title I of the Housing and Community Development Act of 1974.

(b) *Eligible applicants.* Only historically Black colleges and universities (as determined by the Department of Education in accordance with that Department's responsibilities under Executive Order 12677, dated April 28, 1989) are eligible to submit applications.

(c) *Eligible activities.* Activities that may be funded under this section are those eligible under §§ 570.201 through 570.207, provided that any activity which is required by State or local law to be carried out by a governmental entity may not be funded under this section. Notwithstanding the provisions of §§ 570.200(g), grants under this section are not subject to the 20 percent limitation on planning and program administration costs, as defined in §§ 570.205 and 570.206, respectively.

(d) *Applications.* Applications will only be accepted from eligible applicants in response to a Request for Applications (RFA) which will be issued either concurrently with or after the publication of a Notice of Funding Availability (NOFA) published in the FEDERAL REGISTER. The NOFA will describe any special objectives sought to be achieved by the funding to be provided, including any limitations on the type of activities to be funded to achieve the objectives, points to be awarded to each of the selection criteria listed in paragraph (e) of this section, and any special factors to be evaluated in assigning points under the selection factors to achieve the stated objectives. The NOFA will also state the deadline for the submission of applications, the total funding available for the competition, and the maximum amount of individual grants. The NOFA will include further information and instructions for the submission of acceptable applications to HUD.

(e) *Selection criteria.* Each application submitted under this section will be evaluated by HUD using the following criteria:

(1) The extent to which the applicant addresses the objectives published in the NOFA and the RFA.

(2) The extent to which the applicant demonstrates to HUD that the proposed activities will have a substantial impact in achieving the stated objectives.

(3) The special needs of the applicant or locality to be met in carrying out the proposed activities, particularly with respect to benefiting low- and moderate-income persons.

(4) The feasibility of the proposed activities, *i.e.*, their technical and financial feasibility, for achieving the stated objectives, including local support for activities proposed to be carried out in the locality and any matching funds proposed to be provided from other sources.

(5) The capability of the applicant to carry out satisfactorily the proposed activities in a timely fashion, including satisfactory performance in carrying out any previous HUD-assisted projects or activities.

(6) In the case of proposals/projects of approximately equal merit, HUD retains the right to exercise discretion in selecting projects in a manner that would best serve the program objectives, with consideration given to the needs of localities, types of activities proposed, an equitable geographical distribution, and program balance.

(f) *Certifications.* (1) Certifications required to be submitted by applicants shall be as prescribed in the RFA packages.

(2) In the absence of independent evidence which tends to challenge in a substantial manner the certifications made by the applicant, the required certifications will be accepted by HUD. If independent evidence is available to HUD, however, HUD may require further information or assurances to be submitted in order to determine whether the applicant's certifications are satisfactory.

(g) *Multiyear funding commitments.* (1) HUD may make funding commitments

of up to five years, subject to the availability of appropriations. In determining the number of years for which a commitment will be made, HUD will consider the nature of the activities proposed, the capability of the recipient to carry out the proposed activities, and year-by-year funding requirements.

(2) Awards will be made on the basis of a 12-month period of performance. Once a recipient has been selected for a multi-year award, that recipient would not be required to compete in a competition for the subsequent funding years covered by the multi-year funding commitment. Recipients performing satisfactorily will be invited to submit applications for subsequent funding years in accordance with requirements outlined in the Notice of Funding Availability and Request for Grant Application. Subject to the availability of appropriations, subsequent-year funding will be determined by the following:

(i) The recipient has submitted all reports required for the previous year or years in a timely, complete and satisfactory manner in accordance with the terms and conditions of the grant.

(ii) The recipient has submitted sufficient evidence to demonstrate successful completion of the tasks and deliverables of the grant. A determination of satisfactory performance will be made by HUD based upon evidence of task completions provided by the recipient, along with data from client feedback and site evaluations.

(iii) The recipient has submitted the next annual application.

(iv) The subsequent year's application is consistent with that described in the original application.

(3) Recipients participating in multi-year funding projects are not eligible to apply for additional grants for the same project or activity subject area for which they are receiving funds. Recipients are, however, eligible to compete for grants for other project or activity areas.

(h) *Selection and notification.* The HUD decision to approve, disapprove or conditionally approve an application shall be communicated in writing to the applicant.

(i) *Environmental and intergovernmental review.* The requirements for Intergovernmental Reviews do not apply to HBCU awards. HUD will conduct an environmental review in accordance with 24 CFR part 50 before giving its approval to a proposal.

§ 570.405 The insular areas.

(a) *Eligible applicants.* Eligible applicants are Guam, the Virgin Islands, American Samoa, the Trust Territory of the Pacific Islands, and the Commonwealth of the Northern Mariana Islands.

(b) *Threshold requirements.* HUD shall review each grantee's progress on outstanding grants made under this section based on the grantee's performance report, the timeliness of close-outs and compliance with fund management requirements and pertinent regulations, taking into consideration the size of the grant and the degree and complexity of the program. If HUD determines upon such review that the applicant does not have the capacity effectively to administer a new grant, or a portion of a new grant, in addition to grants currently under administration, the applicant shall not be invited to submit an application for the current year's funding.

(c) *Previous audit findings and outstanding monetary obligations.* HUD shall not accept for review an application from an applicant that has either an outstanding audit finding for any HUD program, or an outstanding monetary obligation to HUD that is in arrears, or for which a repayment schedule has not been established and agreed to. The Field Office manager may waive this restriction if he or she finds that the applicant has made a good faith effort to clear the audit. In no instance, however, shall a waiver be provided when funds are due HUD, unless a satisfactory arrangement for repayment of the debt has been made and payments are current.

(d) *Criteria for funding.* The Secretary shall establish, for each fiscal year, an amount for which eligible applicants may apply. Grant amounts will be based on population of the applicant and its performance in previous years. In determining performance, HUD will
